

# Cut-offs for Main Round offers

## 2012 admissions

### Key to cut-offs

For 2011 Year 12 applicants, institutions have released the lowest cut-off required for selection into each course. These cut-offs are shown in the following table.

All courses (with the exception of two domestic fee-paying or DFEE courses) are Commonwealth-supported place (CSP) courses.

The cut-offs apply to domestic applicants only; the cut-offs for international applicants may differ from those shown.

Some 2011 Year 12 applicants may receive an offer to a course even though they have an Australian Tertiary Admissions Rank (ATAR) below the published cut-off for the course. In such cases, the institution concerned has used other selection criteria in addition to or instead of the ATAR, for example by awarding bonus points. The cut-offs include bonus points so that each cut-off listed is the lowest rank (including any bonus points) required for entry into each course.

For non-current Year 12 applicants, the cut-offs do not generally apply. Institutions may take any or all of the following into account when considering your application – tertiary studies, secondary studies, post-secondary studies and other relevant factors such as employment history and special circumstances.

If **N/A** appears instead of a cut-off, a cut-off is not applicable because *either* selection criteria other than or in addition to the ATAR are used *or* the course is not offered to 2011 Year 12 applicants.

### Vacancies

A letter ‘V’ shown in brackets after the cut-off indicates that some places may be available in the Late Round. Vacancies could also arise in some courses not marked ‘V’. This will not be known until after acceptances to Main Round offers have been received and no guarantee is given that further offers will be made.

If you applied for a course marked with a ‘V’ and you were not made an offer, your qualifications may not have been sufficient to gain entry into the course in this round.

Do not rely on receiving an offer in the next round, which is the Late Round. If you have received a Main Round offer, you are advised to accept that offer. Even if you accept an earlier offer, you can still receive another offer in a later round. If you prefer the later offer, you can then accept that offer and withdraw from the earlier offer.

### Late cancelled courses

Some courses may have been cancelled by institutions just before the Main Round. A list of these late cancelled courses appears with the cut-off lists. If you applied to one of these courses, contact the relevant institution for further information.
