

# Cut-offs for Main Round offers

## 2016–17 admissions

### Cut-offs

For 2016 Year 12 applicants, institutions have released the lowest cut-off required for selection into each course. The cut-offs include bonus points so that each cut-off listed is the lowest rank (**including any bonus points**) required for entry into each course.

These cut-offs, shown in the table below, reflect the interaction of three factors:

1. the number of places available in the course
2. the number of applicants for the course, and
3. the quality of those applicants.

The cut-offs apply to domestic applicants only; the cut-offs for international applicants may differ from those shown.

Some Year 12 applicants may receive an offer to a course even though they have an ATAR below the cut-off for the course, usually because the applicant has been awarded bonus.

For non-Year 12 applicants, the cut-offs do not generally apply. Institutions may take any or all of the following into account when considering your application – tertiary studies, secondary studies, post-secondary studies and other relevant factors such as employment history and special circumstances.

If **N/A** appears instead of a cut-off, a cut-off is not applicable because *either* selection criteria other than or in addition to the ATAR are used *or* the course is not offered to Year 12 applicants.

### Vacancies

A letter ‘**V**’ shown in brackets after the cut-off indicates that some places may be available in February Round 1. Vacancies could also arise in some courses not marked ‘**V**’. This will not be known until after acceptances to Main Round offers have been received and no guarantee is given that further offers will be made.

If you applied for a course marked with a ‘**V**’ and you were not made an offer, your qualifications may not have been sufficient to gain entry into the course in this round.

Do not rely on receiving an offer in the next round, which is February Round 1. If you have received a Main Round offer, you are advised to accept that offer. Even if you accept an earlier offer, you can still receive another offer in a later round. If you prefer the later offer, you can then accept that offer and withdraw from the earlier offer.

For more information on accepting offers, visit [www.uac.edu.au/undergraduate/offers/accept.shtml](http://www.uac.edu.au/undergraduate/offers/accept.shtml).

### Changing preferences for February Round 1

The next offer round is February Round 1. You can change your preferences for February Round 1 on the My UAC app or UAC’s website until midnight (Sydney time) on Wednesday, 25 January 2017. For more information on changing preferences, visit [www.uac.edu.au/undergraduate/apply/course-preferences.shtml](http://www.uac.edu.au/undergraduate/apply/course-preferences.shtml).
