## *Disadvantage code S01C*

The attached list provides details of all schools that meet one or more of the eligibility criteria for the Educational Access Scheme (EAS) educational disadvantage code S01C.

For complete details of EAS visit [www.uac.edu.au/eas/](http://www.uac.edu.au/eas/)

EAS consideration is provided to UAC applicants for undergraduate admission who have been attending a school as described in S01C during Year 11 and/or Year 12 or equivalent.

A school is included in educational disadvantage code S01C where the school is:

- not listed in S01E
- a rural school in a town with a population of less than 10,000 people and a distance of at least 100km from the nearest centre with a population of 10,000 not included EAS Disadvantage code S01E
- or
- a rural school in a town with a population of less than 5,000 people and a distance between 50km and 99km from the nearest centre with a population of 10,000 not included in EAS Disadvantage Code S01E

UAC has compiled the attached list based on independent data sourced from the Australian Bureau of Statistics in the 2011 census and Google Maps.

UAC has compiled the attached list solely for the purpose of providing information about schools eligible for consideration under EAS disadvantage code S01C. UAC does not authorise or accept any responsibility for any other unintended use of this information.
