

Educational Access Schemes

Disadvantage code S01E

The attached list provides details of all schools that meet one or more of the eligibility criteria for the Educational Access Scheme (EAS) educational disadvantage code S01E.

For complete details of EAS visit www.uac.edu.au/eas/

EAS consideration is provided to UAC applicants for undergraduate admission who have been attending a school as described in S01E during Year 11 and/or Year 12 or equivalent.

A school is included in educational disadvantage code S01E where the school:

- Has been identified by the NSW Department of Education and Communities as being amongst the most socio-economically disadvantaged in the NSW Government sector
- Has been identified by the NSW Department of Education and Communities as geographically isolated or participating in the Connected Communities program
- Has been identified as comparable to schools in the above categories by the Catholic Education Commission of NSW
- Has been identified as comparable to schools in the above categories by the NSW Association of Independent Schools.

UAC has compiled the attached list based on independent data sourced from the NSW Department of Education and Communities, the Catholic Education Commission of NSW and the NSW Association of Independent Schools.

UAC has compiled the attached list solely for the purpose of providing information about schools eligible for consideration under EAS disadvantage code S01E. UAC does not authorise or accept any responsibility for any other unintended use of this information.

The list is provided 'as is' and, while UAC has taken reasonable care to ensure that the information is complete and correct, UAC does not warrant that the list is free from errors or omissions.
