

19 October 2010

Dear IB World School,

The Universities Admissions Centre is the central office that processes applications for admission to 16 participating institutions in Australia.

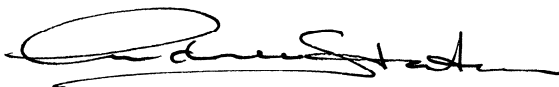

I am pleased to advise that IB students who want to apply to study at one of UAC's participating institutions for 2011 admissions can now simply apply through UAC rather than separately to each institution.

Applications are made online through *UAC International* at www.uac.edu.au/international/. Applications for admission in semester 1, 2011 open in early August 2010. All applicants must pay a processing fee of \$AU62.

With this letter I have included a flyer for distribution to your students with brief information on UAC and how to apply, and a list of UAC's participating institutions.

If you or your students have any questions, please contact UAC by email to international@uac.edu.au. Alternatively, you can call our Customer Service team by dialling + 61 2 9752 0200 between 8.30am and 4.30pm Monday to Friday (Sydney/AEDT time).

Yours sincerely

Andrew Stanton
Managing Director
