

## Media release – Thursday 24 September 2009

For immediate release

# Apply now for postgraduate study

Applications are now open for postgraduate coursework study through the Universities Admissions Centre (UAC). UAC handles postgraduate applications for 12 tertiary institutions, mainly in NSW and the ACT.

With one online application through [www.uac.edu.au/postgraduate/](http://www.uac.edu.au/postgraduate/), applicants can choose up to six course preferences from more than 1 000 courses. UAC's website provides comprehensive information on how to apply and available courses.

Courses for Intakes 1-3 start between December 2009 and April 2010 so potential students should apply early to ensure their application is considered. The main application closing dates are:

- Intake 1 – 30 September (studies start December 2009 – January 2010)
- Intake 2 – 30 October (studies start January – March 2010)
- Intake 3 – 30 October (studies start April 2010).

For more information, visit [www.uac.edu.au/postgraduate/](http://www.uac.edu.au/postgraduate/) or call UAC on (02) 9752 0500.
