## **Apply now for uni in 2010**

UNIVERSITY applications for 2010 are now open through the Universities Admissions Centre (UAC). UAC handles applications for sixteen participating institutions, mainly in NSW and the ACT, offering more than 1 100 courses.

Last year 83 476 people applied for courses and UAC is expecting a similar number of applications for undergraduate study in 2010.

Potential students can submit one online application through [www.uac.edu.au](http://www.uac.edu.au) and choose up to nine course preferences. On-time applications close on 30 September 2009, with final applications closing on 4 February 2010.

To help with the decision-making process, applicants can consult the *UAC 2010 Guide* or the companion website at [www.uac.edu.au](http://www.uac.edu.au). Both provide comprehensive information on university courses and how to apply through UAC.

Most applicants will find out if their application is successful in the Main Round of offers, released by UAC on 20 January 2010. In 2009, UAC made nearly 60 000 offers in the Main Round.

For more information visit [www.uac.edu.au](http://www.uac.edu.au) or call (02) 9752 0200 between 8.30am and 4.30pm, Sydney local time.
