* There is no comparable NSW HSC subject for this IB Diploma subject. Contact the relevant institution for information about that institution's policy regarding IB Diploma subjects that have no comparable NSW HSC subject.

(1) In the NSW HSC there is a small number of multi-level subject areas (English, mathematics, music and LOTE) which enable advanced students to study extension subjects. Students undertaking an extension course must also study the underpinning subject. Some institutions, for some courses, award bonuses for achievement in both subjects. In such cases, IB Diploma students undertaking this IB subject will be considered for the same pattern of bonuses as NSW HSC students undertaking the comparable subject listed in this table and may be eligible to receive more than one bonus.
