Spanish	Spanish Continuers
Swedish	Swedish Continuers
Tamil	Tamil Continuers
Turkish	Turkish Continuers
Ukrainian	Ukrainian Continuers
Yiddish	*

* There is no comparable NSW HSC subject for this TCE subject. Contact the relevant institution for information on that institution's policy regarding TCE subjects that have no comparable NSW HSC subject.

^ TCE has a number of subjects that are 8 credit points only. Combination of paired subjects required to meet NSW equivalence.

(1) In the NSW HSC there is a small number of multi-level subject areas (English, mathematics, music and LOTE) which enable advanced students to study extension subjects. Students undertaking an extension course must also study the underpinning subject. Some institutions, for some courses, award bonuses for achievement in both subjects. In such cases, TCE students undertaking this TCE subject will be considered for the same pattern of bonuses as NSW HSC students undertaking the comparable subject listed in this table and may be eligible to receive more than one bonus.
