

INSTITUTIONS THAT ACCEPT STAT

- Some institutions encourage applicants who do not have any formal educational qualifications to sit STAT as an alternative way of qualifying for admission to tertiary study. You may have to complete additional selection requirements. Refer to the institutions' entries on UAC's website.
- Results from the STAT Multiple Choice are accepted by some institutions as proof of English proficiency. Refer to the English language proficiency table on UAC's website.

Institution	Version of STAT accepted	Accepted for

Length of time STAT results remain valid

- * 10 year validity The Australian National University and Southern Cross University will accept STAT results obtained after 1998 for 2009 admissions.
 - ** 3 year validity These universities and faculties will accept STAT results obtained after 2005 for 2009 admissions.
- All other institutions without an asterisk (*) do not have a restriction on the length of time STAT results remain valid.

These institutions DO NOT accept STAT

- x Macquarie University
- x University of New South Wales
- x University of Sydney – Note, however, that individual courses in Pharmacy and Veterinary Science at the University of Sydney do use STAT as part of their additional selection criteria. Refer to the entries above and to the individual course descriptions on UAC's website.
