Documentation required for long-term medical condition, disability or ongoing effects of abuse

1 You must arrange for the Educational impact statement to be completed.

2 You must arrange for the Medical impact statement to be completed.

3 You must attach medical certificates/reports.

4 You must attach any other relevant information; for example, if you undertook the NSW HSC in 2011, a copy of the NSW Board of Studies’ notification approving your application for Disability provisions (formerly special examination provisions) in your HSC.

Learning disability (LD) only

2011 Year 12 applicants:

1 If you applied for and were granted Disability provisions by the NSW Board of Studies (or interstate equivalent), attach a copy of the Board’s Disability Provisions decision notice and any relevant documentation submitted to the Board.

2 If you did not apply for Disability provisions, attach evidence of a clinical assessment conducted by a qualified professional such as an educational psychologist, neuro-psychologist or LD specialist using recognised valid, reliable and standardised tests. These must have been undertaken within the last three years.

All other applicants:

Attach evidence of a clinical assessment conducted by a qualified professional such as an educational psychologist, neuro-psychologist or LD specialist using recognised valid, reliable and standardised tests. These must have been undertaken within the last three years.

List the verified documents you have attached to support this disadvantage:
