

Lowest Selection Ranks for January Round 1 2020–21 Admissions

For 2020 Year 12 applicants, institutions have released the Lowest Selection Rank (previously known as a cut-off) required for entry into each course.

Applicants are selected based on their overall Selection Rank. For Year 12 students the Selection Rank is made up of their ATAR* and any adjustment factors (previously known as bonus points) they have received.

Therefore, the Lowest Selection Rank for a course does not necessarily represent the minimum ATAR required for entry into the course. Many students with ATARs below the Lowest Selection Rank get offers.

Note that these Lowest Selection Ranks relate to Year 12 applicants only. Institutions may take any or all of the following into account when assessing non-Year 12 applicants – tertiary studies, secondary studies, post-secondary studies and other relevant factors such as employment history and special circumstances.

If **N/A** appears instead of a Lowest Selection Rank, a Lowest Selection Rank is not applicable because of one of the following reasons:

- selection criteria other than ATAR were used
- the course was not offered to Year 12 applicants in this round
- no offers have been made to Year 12 applicants in this round.

(*The ATAR is a rank that measures a student's overall academic achievement in Year 12 in relation to that of other students.)

Offers

If you have received a January Round 1 offer, you are advised to accept it. You can then change your preferences for consideration in later rounds. If you receive a later round offer to a course you prefer, you can accept that offer and withdraw from the previous offer.

For more information on accepting offers, read 'Accepting and enrolling' on UAC's website at uac.edu.au/current-applicants/undergraduate-applications-and-offers.

Changing preferences

For more information on changing preferences, visit UAC's website at uac.edu.au/current-applicants/managing-your-application.

Course vacancies

Before applying or changing preferences for the next offer round, contact the institution to check course vacancies.
