To apply for Schools Recommendation Schemes, you must be a Year 12 applicant who is attempting:

- an Australian Year 12 qualification in 2020, or
- an International Baccalaureate in Australia in 2020.

You must also be:

- a UAC applicant for undergraduate admission in 2021
- an Australian or New Zealand citizen, a permanent resident of Australia or the holder of an Australian permanent resident humanitarian visa.

HOW SRS WORKS

Once you've applied for SRS, UAC will email your school principal to notify them of your application. There is no need for you to tell your school.

School ratings

Your principal will ask a staff member to rate you in 10 areas of study, which are split into two sub-groups:

- performance in the following Year 12 subjects:
 - Agriculture
 - Creative Arts
 - English/Humanities/Social Sciences
 - Languages
 - Mathematics
 - Science
 - Technology
- suitability for tertiary study in the fields of:
 - Commerce
 - Education
 - Health.

Your school will also rate you according to its assessment of your:

- capacity for abstract thought and analysis
- ability to organise ideas and articulate a position orally and in written form
- ability to work and learn independently
- motivation to achieve long-term goals
- capacity for tertiary study.

Note that participation is optional and UAC cannot guarantee that your school will provide ratings for your application.

Offers

Participating institutions can use a range of criteria when making SRS offers, including your:

- school's rating of your aptitudes
- Year 11 studies
- Educational Access Schemes (EAS) application (if applicable).

Each institution has its own policies on determining SRS eligibility and making offers.

If your application is successful, you will receive your offer by email in November. There are two types of SRS offers:

- unconditional offers (which have no further criteria for you to meet)
- conditional offers (which require you to meet additional criteria).

In November, you can receive **one unconditional offer** and one or more conditional offers.

To receive further offers in subsequent rounds:

- accept the course offer you've already received
- log in to your UAC undergraduate application, go to 'Update course preferences' and move that course down to the bottom of your course preference list or remove it entirely (as long as you have accepted the offer, you can't lose it).

If you then receive an offer to a course in your new list, you can decide whether to accept it and withdraw from your original course, or not accept the new offer and keep your place in your original course.

Alternatively, if you receive an unconditional offer to a lower preference, you will automatically be considered for higher preferences in the next round.

To change your preferences, log in to your UAC application and go to 'Update course preferences'.

HOW TO APPLY

SRS applications close at midnight on Sunday 20 September 2020. Offers will be based on your course preferences as at midnight on Sunday 8 November 2020, unless an earlier date is specified by the institution.

- STEP 1** Submit your UAC undergraduate application.
