Rating scale for areas of study

Each area of study must be rated for each applicant.

Exceptional	<p>The student:</p> <ul style="list-style-type: none"> – demonstrates a wide knowledge of the area of study and a fully developed understanding of associated concepts – applies highly developed skills and processes in a wide variety of contexts – demonstrates creative and critical thinking skills using perceptive analysis and evaluation – effectively communicates complex ideas and information.
Very good	<p>The student:</p> <ul style="list-style-type: none"> – demonstrates a thorough knowledge of the area of study and understanding of associated concepts – applies well-developed skills and processes in a variety of contexts – demonstrates creative and critical thinking skills using analysis and evaluation – clearly communicates complex ideas and information.
Good	<p>The student:</p> <ul style="list-style-type: none"> – demonstrates a sound knowledge of the area of study and associated concepts – applies skills and processes in a range of familiar contexts – demonstrates appropriate skills in selecting and integrating information – communicates relevant ideas in an appropriate manner.
Adequate	<p>The student:</p> <ul style="list-style-type: none"> – demonstrates a basic knowledge of the area of study and associated concepts – applies skills and processes in some familiar contexts – demonstrates basic skills in selecting and using information – communicates ideas in a descriptive manner.
Inadequate	<p>The student:</p> <ul style="list-style-type: none"> – demonstrates an insufficient knowledge of the area of study and associated concepts – applies some basic skills and processes with guidance – communicates ideas and information in an ineffective manner. <p>Use this rating where you wish to indicate your lack of support in one or more areas of study.</p>

Other rating options

Not applicable

Use this rating if a student is not studying an area of study. If you rate one or more areas of study as 'Not applicable' this will not disadvantage your student, as long as a rating other than 'Not applicable' is used for at least one area of study.
