On Friday 10 September a revised timetable for NSW HSC examinations and results was released.

As a consequence, the following UAC dates will change:

– ATARs for NSW and ACT Year 12 students will now be released at 9am on Thursday 20 January 2022.

– January Round 2 will now be the first ATAR-based offer round. The deadline for changing preferences for January Round 2 will be midnight on Friday 21 January 2022.

– January Round 2 offers will be released at 7.30am on Wednesday 26 January 2022.

– Educational Access Scheme applications must be completed by Friday 17 December to be considered in January Round 2 offers and to receive an eligibility letter on Friday 21 January 2022.

Other UAC dates are under review by UAC and institutions and will be confirmed as soon as possible.

This publication will be updated once all dates have been confirmed.
Undergraduate fact sheet

Medicine, dentistry and veterinary science entry requirements 2022

These dates are for domestic applicants only. All dates have been provided by the universities and apply to courses starting in semester 1, 2022. Dates are subject to change: confirm all information with the relevant institution.

UCAT – ANZ

If you are applying for undergraduate medicine, you need to sit the University Clinical Aptitude Test for Australia and New Zealand. UCAT will be held at various locations across Australia from 1 July to 11 August 2021.

Register at ucat.edu.au.

Registration deadlines
Concession card holders: 11.59pm on Monday 10 May 2021 (Holdings of (or a dependant listed on) a current Health Care Card or Pensioner Concession Card issued by Centrelink)

Standard booking deadline: 11.59pm on Monday 17 May 2021

Late booking deadline: 11.59pm on Monday 31 May 2021 (with additional fee)

For any enquiries, contact UCAT on 1800 023 095 or email ucat-anz@monash.edu.

Medicine

Charles Sturt University/Western Sydney University

725505 Doctor of Medicine (Joint Program)

Duration: 5 years

Selection criteria

| Academic merit | Interviewed candidates applying on the basis of secondary results: min. ATAR of 95.50 |
| Academic merit | Interviewed candidates eligible for consideration as Western Sydney resident: min. ATAR of 93.50 |

### University of Sydney

**513715 Bachelor of Arts/Doctor of Medicine**  
**513720 Bachelor of Science/Doctor of Medicine**

Double Degree Medicine is a prescribed undergraduate degree followed by the four-year Doctor of Medicine. Up to 30 domestic and 10 international places may be made available. In order to progress to the Doctor of Medicine, you need to meet all progression requirements during your first degree studies, as specified under the course rules. Applicants for the Bachelor of Science/Doctor of Medicine have the option of choosing the Medical Science stream when they enrol.

**Duration:** 7 years  
**Selection criteria**

| Academic merit | Predicted min. ATAR: 99.95  
Prerequisite: Mathematics Advanced (Band 4) or Mathematics Extension 1 (Band E3) or Mathematics Extension 2 (Band E3). |
| Assessment | May include a written assessment and panel discussion. Eligible candidates must attend the first assessment day after the release of theirATAR results. |

You are only eligible for admission in the first available course intake following receipt of your final results. If your results are not available in time to be considered for the 2022 assessment days, you may be eligible to apply for the 2023 intake. Assessment dates are not negotiable and eligible Year 12 candidates must attend the first assessment day after the release of their ATAR results.

### Entry schemes

**Gadigal Program** (for Aboriginal and Torres Strait Islander applicants): sydney.edu.au/study/how-to-apply/undergraduate/admission-pathways.html  
**Early Offer Year 12 (E12) Scheme** (for Year 12 students experiencing financial hardship and Year 12 regional students): sydney.edu.au/study/how-to-apply/undergraduate/admission-pathways/early-offer-year-12-scheme.html

### Key dates

| Deadline for including as a UAC preference | 8 Dec 2021: to be considered for assessment day 1 (14 Dec 2021)  
14 Jan 2022: to be considered for assessment day 2 (24 Jan 2022) |
<table>
<thead>
<tr>
<th></th>

**Bachelor of Arts/Doctor of Medicine**  

**Bachelor of Science/Doctor of Medicine**  

### UNSW Sydney

**428000 B Medical Studies/Doctor of Medicine**  
**428000 B Arts/B Medical Studies/Doctor of Medicine**

In these programs, you'll start your medical studies in first year.  
**Duration:** 6 years / 8 years with B Arts  
**Selection criteria**

| Academic merit | Candidates applying on the basis of secondary results: min. ATAR of 96.00  
Candidates eligible for consideration via Rural Students Entry Scheme: min. ATAR of 91.00 |
| UCAT ANZ | Mandatory |
| UNSW Medicine application | Used to set the context of the candidate's interview but not used in identifying candidates for interview. Includes questions on why applicants want to study medicine at UNSW, details of their relevant personal qualities and skills, their non-academic interests and activities, and a brief description of their life experience. |
| Interview | Selection for interviews is based on ATAR results (NSW/ACT applicants)  
Approximately 500 applicants will be interviewed on set dates. |

### Entry schemes

**Rural Students Entry Scheme:** Applications close 30 Sep 2021. For information, call the Rural Clinical School (Sydney campus) on (02) 9385 3250 or visit the UNSW website.

**Indigenous Entry into Medicine Scheme:** Includes a pre-medicine preparation program and a support program run through UNSW Medicine and Nura Gili, UNSW’s Centre for Indigenous Programs. For further information, call (02) 9385 3805 or email asknuragili@unswwedau.edu.au.

**Gateway Entry Scheme:** Visit the UNSW website for eligibility criteria and application details.
University of Sydney
513705 Bachelor of Science/Doctor of Dental Medicine

Double Degree Dentistry allows you to complete undergraduate studies in science before commencing the Doctor of Dental Medicine. In order to progress to the Doctor of Dental Medicine degree, all progression requirements specified in the Faculty Handbook must be met.
