

Worksheet 1

The first step is to think about who you are: your interests, qualities and skills. Write these in the boxes below.

Then turn to the table 'What are my options?' on the following pages and match your interests, qualities and skills with those in the left-hand column of the table. These are divided into study areas and you may find you match one particular area of study, or several.

Who am I?

What am I interested in?

My personal qualities are...

eg creative, organised, happy to work alone

My skills are...

eg writing, listening, drawing, solving problems

Who inspires me? Why?

Who can I talk to?

Three people I could talk to about my choices:

Worksheet 2

The next step is to use the 'What are my options?' table on pages 27–34 to match your answers in Worksheet 1 with areas of study. Work your way across the sheet below, filling in each column from the information in the table.

In the final column you will end up with a list of subjects that best match your abilities and future plans.

	Areas of study that match my interests, qualities and skills	What careers use those skills?	What tertiary courses could I study?	What HSC courses could I choose?
Interests	<hr/> <hr/> <hr/> <hr/>			<hr/> <hr/> <hr/> <hr/>
Qualities	<hr/> <hr/> <hr/> <hr/>			<hr/> <hr/> <hr/> <hr/>
Skills	<hr/> <hr/> <hr/> <hr/>			<hr/> <hr/> <hr/> <hr/>

What are my options?

Using the worksheets on pages 24–25, the following table will help you map your interests, qualities and skills to careers, areas of university study and HSC courses. Category B courses are identified as *(Cat. B)*.

These lists are not meant to be exhaustive; they are only a summary of what's available. A full list of university courses available each year is published on UAC's website.
