

Worksheet 1

The first step is to think about who you are: your interests, qualities and skills. Write these in the boxes below.

Then turn to the table 'What are my options?' on the following pages and match your interests, qualities and skills with those in the left-hand column of the table. These are divided into study areas and you may find you match one particular area of study, or several.

Who am I?

What am I interested in?

My personal qualities are . . .

My skills are . . . (eg writing, listening, drawing, problem solving)

Who inspires me? Why?	Who can I talk to?

<hr/>	<hr/>
<hr/>	<hr/>
<hr/>	<hr/>
<hr/>	<hr/>
<hr/>	<hr/>

What are my options?

Using the worksheets on pages 1 to 2, the following table will help you map your interests, qualities and skills to careers, areas of university study and HSC courses.

These lists are not meant to be exhaustive; they are only a summary of what's available. A full list of university courses available each year is published on [UAC's website](#).
